STAINED GLASS WINDOWS

We've always wanted a stained glass over-lay window for the office here at Whoquarters. Actually, all of us wanted one for our individual dwellings. We finally found a man who didn't feel the need to charge us a fortune (\$300-\$400) and we bought them. The deal was good enough that we could get them licensed and offer them to you. The standard size is 16" x 16". Standard cost is \$125.00 plus \$15.00 shipping and handling each. We can also do custom (square) sizes for you. For custom price quotes call (303) 322-5072, Monday thru Friday 9:00 a.m. to 5:00 p.m. MST. Each window is individually hand-crafted. Delivery is 4-8 weeks. (No wholesale inquiries please.) Item #7030.

BELT BUCKLES

Shown here are two of the most gorgeous Doctor Who collectibles ever. These belt buckles are individually hand-crafted from pure German silver. The black portion is made of a hard-finish polished polymer resin. The larger buckle is approximately 3-1/2" x 2-1/4" and is engraved at the edges. The smaller buckle is approximately 2-3/4" x 1-5/8". Each one has an engraved number on the back and will be registered at Whoquarters in your name (or if it's a gift, in the name of the recipient). They're both simply elegant! Small buckle is \$60.00 plus \$4.00 shipping and handling each (Item #7035). Larger buckle is \$75.00 plus \$5.00 shipping and handling each (Item #7036). Delivery 4-8 weeks. (No wholesale inquiries please.)

DIAMOND LOGO VISOR
